Thun, 20 May 2025

Dear customers and business partners

It is with deep shock and great sadness that we must inform you that our long-standing colleague and valued member of the management team at Enotrac AG, Stefan Nydegger, has passed away suddenly and unexpectedly.

We are all deeply affected by this loss. Stefan was not only an outstanding expert with great commitment and vision, but also a colleague, supervisor and, for many, a friend who played a key role in shaping our company with his humanity, humour, and zest for life.

Our thoughts are with his family, his relatives and all those close to him during this difficult time.

We ask for your understanding that we will need time in the coming days and weeks to process this painful loss to the Enotrac community and business. We will, of course, do everything in our power to maintain continuity in our cooperation with you as usual.

Please direct any queries to the following specialist contacts:

René Schär	Head of Energy Division	+41 33 346 66 11	rene.schaer@enotrac.com
Kevin Gafner	Head of Team Studies	+41 33 346 66 49	kevin.gafner@enotrac.com
Pascal Boss	Head of Team Implementation	+41 33 346 66 17	pascal.boss@enotrac.com
Urs Luder	Head of Team Catenary Design	+41 33 346 66 46	urs.luder@enotrac.com
Julien Coppex	Head of Team Lausanne	+41 21 623 83 02	julien.coppex@enotrac.com

We thank you very much for your understanding and support.

With kind regards,

Enotrac AG

Michael Dalacker
